RUGGLES CAMPGROUNDS.

What Is Going on at That Beautiful Place—Large Attendance.

Special Correspondence Public Leader.

RUGGLES CAMPGROUND,
August 2, 1901.

As the time draws near for the breaking up of the meeting and the return of the campers to their homes, regrets are expressed on all sides that we must so soon part after such pleasant and hallowed companionship. But all things have an end, and even the most enjoyable things of life come to a close.

The camping of 1901 will have soon passed into history with its blessed associations and its pleasant hours, and we expect to carry with us many helpful lessons learned at this beautiful place. The meetings have all been good and many have been benefited by them. Spirituality has characterized them all. May they continue so to the end!

Dr. Wilburn will arrive Saturday evening and preach to us Sunday morning and night. The grounds are more beautiful than ever before, the meetings are glorious and as there are plenty of accommodations for all we are expecting a large crowd.

A party of some twelve or fifteen hay-riders, headed by Mr. Lane and some others of the feminine gender, took an outing to the Springs on Friday. May they enjoy the reality of it better than we do the thoughts of it.

The regular annual memorial service was held Friday morning in memory of those who have died during the past year. Captain Isaac Kelly, for so long a director of the camping, John Willie Linkins, Miss Amy Goddard and Mrs. Mary Roberts were those in whose memory the services were held this year. These were tenters on the grounds in times past who, we trust, are camping on the more beautiful grounds of heaven today.

Revs. L. B. Pizel and A. Boring left us this morning for their homes at Bellevue and Dayton.

Rev. D. P. Holt and his numerous followers took their departure Friday morning for their homes in Cincinnati, Bellevue and Dayton.

PAINFUL ACCIDENT.

Mrs. Rosie McPheeters Falls and Breaks a Collar Bone.

Mrs. Rosie McPheeters met with a very painful accident last night about 11 o'clock.

She fell and broke her collar bone or the clavicle of her left shoulder about one inch from the articulation with the scapula.

Dr. W. R. Harrington was summoned and set the broken bone, and Mrs. McPheeters is resting very well this morning.

Mrs. McPheeters met with the accident as she was arranging her toilet to attend the wake of Mrs. Nancy Middleton, when her foot caught in the carpet, losing her equilibrium and fell to the floor.

This is a banner year for peaches. The crop throughout the whole country is estimated to be about 75,000,000 bushels, and rather over than under that amount. The prolonged drought in some parts of the country has affected it somewhat, but not to any great extent.

HOW THE BIG-HEARTED EDITORS ARE HELPING THE ELKS FAIR.

[In response to THE LEADER's request for the good offices of the Editorial guild in making the order of the city, as well as yourself, can command THE Mercury at any time. Yours, etc., G. R. KELLEY & SON.]

THE CARLEIGH MERCURY,
CARLEIGH, KY., Aug. 1, 1901.
Thomas A. Davis—Dear Sir: The Maysville Elks and any other good Order of your city, as well as yourself, can command THE Mercury at any time. Yours, etc., G. R. KELLEY & SON.

THE VANCEBURG SUN,
VANCEBURG, KY., Aug. 1, 1901.
Mr. Thomas A. Davis, Maysville, Ky. Dear Sir and Brother: Yours of today at hand and contents noted. We always stand ready to give away our space, as you suggest, but more especially so when asked for by a brother in misery. We will gladly run your ad until the date of the Fair, and place our columns at your disposal in any way that we can serve you. I hope your Fair will be a howling success, and if I can possibly arrange it to get off will certainly accept your cordial invitation to slip in the "Dead Head Case." Yours respectfully, M. O. WILSON.

THE GAZETTE,
PARIS, KY., August 2, 1901.
Brother Davis: The badge and badge received. These two and you make a blessed trinity that Ed. Geisel and other barbarians need in their daily walks and in all of those relations of life that tend to take their thoughts away from ennobling things and place them upon cheap ones. I knew Ed. when he used to lay medicated candy, and I know how as he agitates the bow of a base riddle or affectionately fingers the catgut strings, and I can truly say he needs these every hour. Tears dim mine eyes or I would write more. Send on your out and let THE Gazette help boom your Fair. Yours, HARMON STITT.

NOT SO GENEROUS.
FLEMINGSBURG TIMES-DEMOCRAT,
FLEMINGSBURG, KY., Aug. 1, 1901.
Thomas A. Davis, Esq., Maysville, Ky. My Dear Sir: I was really surprised by your generous offer of a badge and "camping" in return for as much advertising as I saw fit to "give" to the Elks Fair. It is true, it is "more blessed to give than to receive," but I am no more deserving object of charity than a "free newspaper" man, and shall not avail myself of your generous offer to give space to the Elks Fair. I charge regular rates for Fair ads when they are admitted. Respectfully, H. DULEY.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it becomes chronically inflamed, deafness is the result. It is the inflammation that can be taken out and this tube restored to its normal condition, hearing will be restored forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure, sent for circulars free.

Sold by Druggists, etc.

THE LEADER ODE.

THIS WILL INTEREST EVERY READER!

The LEADER received a few days ago a copy of La Bandera Americana, published at Mayaguez, Porto Rico, and containing the following highly complimentary sketch of ex-Chief Justice Holt of this state, which will be read with deep interest by his many friends in this city.—EDITOR LEADER.

APUNTES BIOGRAFICOS.

W. H. Holt nació en Bath county, Estado de Kentucky en Noviembre del año 1822.

Después de haber cursado la instrucción primaria en las escuelas de su Estado, concurre a varias instituciones académicas; y en 1842 la edad de 20 años adquirió el título de Doctor en Leyes en la Universidad de Albany, estado de New York, e inmediatamente empezó a ejercer su profesión.

Kentucky. Por más de veinte años continuó con gran éxito hasta llegar a ser uno de los letrados más nombrados en un Estado que se distingue en la Unión por sus conocimientos y elocuencia de sus Cortes. Durante este período, con mucho tacto, evitó siempre el ser candidato para una de las oficinas del gobierno, dedicándose a su profesión. No obstante a menudo fue varias veces Elector Presidencial, delegado a varias Convenciones Nacionales les para Presidente. En la Convención Republicana que se celebró en Chicago en 1860, fue finalmente nombrado a Mr. Blaine, Honorable John Sherman fue presidente como Candidato para la Presidencia por el Senador Foraker y secundando por el Juez Holt la petición de los amigos de Sherman.

El fue también gran maestro de la Sociedad (Oddfellows) de Kentucky y Presidente por muchos años de la Unión de las "Tráides" del colegio de la Unión. Él ha tenido una larga y variada experiencia como Abogado y Jefe. En el Otoño de 1884 fue elegido Jefe de la Corte Suprema de dicho Estado y sirvió en la misma por más de ocho años, y durante la última parte de este período ocupó la Presidencia de la misma, siendo hasta la fecha el único republicano que ha desempeñado la presidencia de la Corte de Justicia de Kentucky. Los archivos de la Corte de ese tiempo demuestran que muchas opiniones de la misma, y en muchos casos importantes, fueron redactadas por él; entre ellas se encuentra la anular la validez de la Cuarta Constitución de aquel Estado.

En Junio de 1900, mientras gozaba de una gran clientela letrada, fue nombrado, sin haberlo solicitado, presidente McKinley, Jefe de la Corte de los Estados Unidos para Puerto Rico, y como fue el primer Juez nombrado para desempeñar dicho cargo en la Isla, tuvo que organizarla y en-carriarla en sus trabajos.

En su llegada a Puerto Rico el encontró en un estado de confusión; la antigua Corte Provisional de los Estados Unidos, la cual era una Corte militar había desaparecido con la instalación del Gobierno civil. San Juan, Mayaguez y Ponce fueron los puntos escogidos para reunirse la Corte pero el presidente de local elegido para el caso en dichas poblaciones, tuvo que dedicarse en primer lugar a dejar este punto resuelto; mas luego hacer el nombramiento de Leontario, después de lo cual se organizó la Corte para lo cual empleó un corto tiempo y todo quedó terminado; abriendo dicha corte su primer término en San Juan en tiempo oportuno, de acuerdo a la Ley, a pesar de las muchas dificultades con que tuvo que luchar el Juez Holt. A él le perteneció el honor de haber establecido en Puerto Rico el primer sistema de Jurados en Puerto Rico, ha sido un verdadero éxito.

El Juez Holt ha trabajado duro en esta Isla y no hay duda que merece para demostrar que revalor sus decisiones en las que se ve el comercio con que ha estudiado los diferentes asuntos complicados que han tenido lugar aquí.

El Juez de los Estados Unidos en Puerto Rico probablemente tiene que luchar más que en cualquiera otra parte de la Unión debido a la situación confusa de neutras leyes hoy; pero el excelente método por el cual las diferentes cuestiones han sido resueltas por el Juez Holt han llenado de satisfacción a todos.

Nuestros no felicitamos por tener al Juez Holt a la cabeza de la Corte del Distrito de los Estados Unidos en Puerto Rico como así al Presidente McKinley por su tacto en habernos en viado para dicho puesto a tan digno representante.

An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appear to you as though the advertisers were indulging too freely in fine words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell, and sell it as low as is consistent with legitimate business methods.

Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,

GEORGE COX & SON.

The Investment Company has taken its place as a permanent institution, and the prejudices that obstructed its early growth are disappearing in the light of experience in its working.

Our plan is to invest in companies at Lexington and other places. Now that we have a Company at home whose plan is the latest and most approved and whose Managers are personally known to you as men of standing and integrity, why not put your investment with them? Patronize your home institution, and your city and county will develop.

There is still a lingering prejudice in the minds of many people against the investment business. This arises largely from lack of information as to the real principles upon which the business is founded.

Our older citizens remember when the first Building Association was started in Mayville. There was a great deal of opposition to it, but it lived down the prejudice and was the forerunner of the three prosperous institutions of that kind in Mayville. The Building Association depends for its success entirely upon co-operation.

Life insurance was a rarity in Mayville in the preceding generation, but now it is difficult to find a man entirely uninsured, who is healthy enough to stand a medical examination.

Life insurance is run upon precisely the same principles as an Investment Company, but pays the profits to the dead man's estate.

Our plan is open to the sick and feeble, to whom life insurance is barred, as well as to the healthy and strong. Don't let prejudice stand in your way because the business is unfamiliar to you, but investigate for yourself, and you like others will be convinced. Call at our office or write to the
